

GDP: It's a Match!

Name: _____ Date: _____

Instructions to Teacher: Make one copy of these pages for each group. Cut apart each item on the chart so students can reassemble it in their groups. You may want to put the pieces of each chart into a plastic bag before distributing to the groups. Note that GDP per Capita numbers are rounded or rough estimates and may differ from the actual income. Data is from the 2018 CIA World Factbook.
