

Visual 1: Saving and Spending Song**Tune: *I've Been Working on the Railroad***

If you spend all of your money,
Spend it every day
If you're tempted by the small stuff
Or don't keep your money safe
You'll be just like Alexander,
Left with lots of junk today.
If you spend all of your money,
You won't reach your goal.

Chorus

Save some money now!
Save some money now!
Save some money now, now, now, now, now!

Save some money now!
Save some money now!
Save some money now, now, now!

If you save some of your money,
Save some every day.
If you save some of your money,
You can reach your goal that way.
Don't be tempted by the small stuff,
And keep your money safe.
If you save some of your money,
You can reach your goal.
